An Agricultural Destination
BLACK STAR FARMS

Red House Rosé

This fun filled and light bodied wine has a fun and casual place at the table. Made in a sweeter style it is a blend of Riesling, Cayuga and Foch. These grape varietals add to the diverse assortment of flavors.

Vintage Overview

Our Red House wines are non vintage specific as they are often made from a blend of different grapes. High quality fruit is always sourced and blended into each batch.

Flavor & Aroma

This wine is reminiscent of candy flavors of strawberry and watermelon with a slight red licorice tang.

Aging Potential

Drink now or within the next two years.

Thoughts for Food

The sweet, fruity flavors of this wine make it a great accompaniment to sweet-style bbq sauces, or dry rubs with a good bit of heat. It is also great with simple desserts such as strawberries and vanilla ice cream.
