

Red House White

Red House White is a blend of 12 different grape varieties, all grown in the State of Michigan. Each varietal contributes its own unique character to create a wine that is fresh, well balanced and delicious to drink on its own as well as being a versatile companion to many foods. It has a fruity aroma accented by a hint of oak, is medium-bodied and made in an off-dry style. This white wine has wide appeal that makes it a great choice for group events and everyday drinking.

Residual Sugar: 1.1%

Varietals: Riesling, Sauvignon Blanc, Pinot Blanc, Gruner Veltliner, Pinot Gris, Chardonnay and various French-American Hybrids.

Appellation: Michigan

Oak: Neutral American
