

Sirius Cherry Dessert Wine

Tasting Notes: This beautifully fragrant, port-style dessert wine is produced from estate grown black sweet cherries, fortified with our own cherry brandy, and sweetened with tart cherry juice. It is then barrel aged for nine months in American oak. Ripe black cherry fruit, combined with mildly toasted oak, and the warmth of brandy. This is the perfect accompaniment for rich chocolate desserts.

Residual Sugar: 18%

Varietals: 97% black sweet cherries and 3% Balaton cherries

Orchard Source: Old Mission Peninsula

Oak Treatment: 9 months in American oak

BLACK STAR FARMS
