

Black Star Farms Red House Rosé

Black Star Farms is located on the same 45th Parallel that runs through some of the great wine regions of the world. Our unique “lake effect” climate allows us to produce classic varietal wines that truly express our dynamic wine region. Fruit is sourced from both the proprietor’s vineyards and from those of local grower partners on the Old Mission and Leelanau Peninsulas. This diversity allows us to obtain consistent quality across vintages.

Winemaker Comments

This rosé is a favorite with many of our sweet wine drinkers. The lively and youthful fruit character comes from a thoughtful blend of vinifera and hybrid grapes. This wine is a perfect choice for casual sipping on a hot summer day.

Tasting Notes

Bright berry aromas are followed by delicate strawberry and raspberry notes on the palate complemented by a semi-dry finish. This rosé is a great alternative to red wine as a base for sangria!
