

Frequent Guest Reward Program

Effective January 1, 2020, we are happy to offer a new frequent guest reward program.

We value our guests and appreciate you returning to stay at the Inn at Black Star Farms. For many of you, we are honored with your visits multiple times each year!

As a small token of our gratitude, for every 10 nights you spend at the Inn at Black Star Farms you will receive a \$50 gift card that can be redeemed anywhere at Black Star Farms. Inn stay counts will begin to accrue with bookings beginning January 1, 2020 and will continue into the following years. This offer is valid only for rooms booked for your use and is not valid for group bookings.

We look forward to seeing you again!

Please note, repeat guest discounts are no longer valid for new or existing reservations after December 31, 2019.
